## TRAVELLING WITH DOGS AND CATS TO SOUTH AFRICA

---

Please refer to the attached documents to assist you:

An information document on the importation of dogs and cats into the Republic of South Africa;  
The application form to import dogs and cats into the Republic of South Africa;  
The animal health permit office contact details;

Upon arrival in South Africa you must produce:

The Veterinary Import Permit (which you will need to apply for) and a Veterinary Health Certificate (completed and signed by the local state veterinarian in France). The completed application form must be submitted to the permit office at VetPermits@daff.gov.za or faxed to +27 12 329 8292 with a proof of payment.

Original vaccination records for your dog/cats

**COST OF OBTAINING IMPORT PERMIT: ZAR 210.00 (It is the responsibility of the applicant to verify if there are no amendments to costs prior to paying)**

You must arrange collection of the permit directly with the permit office (please note that additional charges may be incurred).

The Veterinary Health Certificate will be sent to you with the import permit and must be completed within ten days of departure by the local state veterinarian.
